GOLDFISH GAME! "COME OVER AND PLAY A GAME!"

An old granny drags you to her flashy stall with large banners of rip off art of the famous Kanagawa Wave artworks. She rubs her hands together with a smile "Alright, I know what you're thinkin' younin', but here, i'll give you a deal. Usually I only let youngsters play 3 times, but for you my dear" she whispers "I'll give you an extra turn..."

GAME RULES: "Alright here's how to play..."

| Use the command /r 4d20 #goldfish to 'scoop' up fish with your paper net! In order to successfully scoop a fish, the individual number result needs to be 14+. Every successful roll earns you a ticket.

Unfortunately you don't get the fish, but you do get some nifty tickets to use at the Matsuri store! Good luck rolling! | TO PLAY USE @COUNCIL

@COUNCIL

Dyno is bugged and can't @ the council! Please manually @ mods for now if any interaction/choice is needed
