NAME: ERICK MUTHUI KARIUKI

NATIONALITY: KENYAN

DATE OF BIRTH: 26TH JANUARY 1999

MARITAL STATUS: SINGLE

LANGUAGE: ENGLISH, SWAHILI, FRENCH

RELIGION: CHRISTIAN

TELEPHONE: 0796358398

CONTACT ADDRESS: 33158-00600 NAIROBI

ABOUT ME

I'm highly motivated and a skilled computer technician qualified to upgrade networks, software and hardware. I have exceptional skills in Windows and SQL Server applications and a background in handling malware attacks and promoting cybersecurity policies.

PROFESSIONAL SKILLS

Computer Set-Up

- I have setup, installed and configured computers in various places like at my school and a friend's business to support operations and reporting.
- I've assisted in fixing hardware devices and software to set up work stations at my school. • Tested and installed motherboards, processors and graphics cards on desktops and laptops.

Problem-Solving

- Used diagnostic tools to identify hardware failures and replace non-functional components. • Removed malware, ransomware and other threats from laptops and desktop systems. • Assessed system hardware and software and suggested modifications to reduce lag time and improve overall speed.
- Explained technical information in clear terms to non-technical individuals to promote better understanding.

EXPERIENCE

June 2023 – July 2024

CCI Kenya – *Software Developer Intern*

I briefly worked at CCI Kenya, I mainly worked with the development team in monitoring and maintaining the system that was in place there. Leveraging my expertise in JavaScript, React, and Django Rest Framework, I delivered innovative solutions that enhanced user experience and accelerated normal operations

Collaborated with a talented team to design and implement new features, including development of

backend functionalities like order processing, ensuring seamless transactions and customer satisfaction.

September 2024 – Present

Acacia Gardens— *Software Developer & IT Head*

I played a pivotal role in helping develop the main website responsible for bookings. Leveraging my expertise in JavaScript, Django, React, and Django Rest Framework, I contributed to building a robust and scalable foundation for our venture.

Collaborated closely with the team to design and implement the frontend, ensuring an intuitive and visually appealing user interface. Utilized React to craft dynamic components, creating a seamless and immersive booking experience.

2

EDUCATION

2019-2024: Undergraduate studying Bachelor of Science in information Technology at KCA University

2012-2018: Kenya Certificate of Secondary Education at Pumwani Secondary School. Took me six years since I fell really ill in 2014 therefore I wasn't able to go to School for one and a half years. I resumed in early 2016.

2004-2012: Kenya Certificate of Primary Education at Parkroad Primary School

OTHER SKILLS ACQUIRED

2022: Got Cisco Networks Certified after passing their online packet tracer and networking essentials exam

2023: Got a cisco cybersecurity certificate after passing a cybersecurity course
