Men's Night Out Concert - Women & Volunteers

Thursday, November 20 at SCHS PAC

6:30 PM

All Choir students, family, and friends are invited to the annual HISD Men's Night Out Concert. Female Choir students who attend will receive extra credit! The SCHS Men will be performing alone and with other men from other middle and high schools in Humble ISD at this concert. This will be a fun event where you will get to see a variety of music performed by all of the different high schools. Students must be picked up when the concert is over (around 8:30 PM). All students must demonstrate proper concert etiquette, including no cell phone use and sitting quiet and still during the concert.

We will also need assistance from students and parents for hosting. Students who would like to assist must talk with Mr. Moseley or Mrs. Robison in advance so that we can assign them an appropriate task. And those who are volunteering need to be at SCHS by 3:00 and in their Choir Polos and Black Pants. Parents please visit our volunteer page (on the Student/Parent page of our website) or [click this link](#) to sign up to help out!
