Instructions for Microsoft Word

Pokestop Photo Disc:
Select circle. Format shape, Fill, Picture of Texture Fill, Insert/Clipboard.
Picture format tab, dropdown menu next to Crop, "Fill".

Postcard Gift:
Select image. Format shape, Fill, Picture of Texture Fill, Insert/Clipboard.
Picture format tab, dropdown menu next to Crop, "Fit".
If the image is not already a square, drag short edges to fill the square outline.
(For added authenticity, first downscale the image to 128px.)

Note: Portal text uses Exo font from https://fontlibrary.org/en/font/exo

Ingress key screen:
Similar to Pokestop photo disc instructions, but don't try to click the rectangle directly.
There's a second rectangle on top of it providing a gradient shadow that increases towards the bottom. Instead, go to Layout and open the Selection Pane. Select rectangle object called "INSERT PORTAL PHOTO HERE". Then proceed with same instructions as Pokestop.

Ingress Comms Notification:
Same as instructions for Pokestop.
(For added authenticity, first downscale the image to 128px.)
