1. Information We Collect

This extension analyzes the content of the active webpage when you use it. This includes:

- Page titles
- Meta descriptions
- Headers (H1, H2, etc.)
- Links
- Images

No personal data is collected, stored, or shared.

2. How We Use the Information

The data analyzed by the extension is used solely for the purpose of providing you with SEO analysis results. This includes:

- Assessing the SEO performance of the webpage.
- Generating reports based on the analyzed content.
- Providing actionable recommendations for optimization.

3. Data Retention

The extension does not store any analyzed data after the analysis is complete. All data processing occurs locally within your browser, and no information is transmitted or saved externally.

4. Data Security

We take the security of your information seriously. The extension does not transmit any data over the internet, ensuring that your data remains secure and private.

5. Third-Party Services

The extension does not use any third-party services that collect, track, or store your personal data.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected on this page with an updated effective date. We encourage you to periodically review this policy to stay informed about how we are protecting your information.
