

Volunteer Opportunities

Phonics Cart Assembly (One day of the week of August 29)

The County has provided us with AWESOME phonics carts for our classrooms this year. We are so excited! We are in need of two parent volunteers per class to help put the carts together. The time commitment is about one-two hours. Please add your name if you would be interested in this project and we will find a day and time that works.

Volunteer 2	

Garden Day (September 16)

Our class will be working in the HFE Garden on Friday, September 16. We will need one volunteer to assist our class and the Green Committee members.
