

April/May 2019

Dear Odyssey Supporter,

The Sun Region Florida Odyssey of the Mind program is preparing for the annual World Finals Tournament to be held at Michigan State University, on May 22 – 25, 2019. The Sun Region will have 5 teams performing their creative solutions, as well as nearly 900 teams from around the globe! Odyssey of the Mind is a creative problem-solving program for students in kindergarten through college. Kindly visit the following websites for additional information:

In order for our not-for-profit organization to provide this program to our children, we need the support and cooperation of local residents and business. These Sun Region teams are seeking donations to help offset the cost of travel to World Finals. In most cases, approximately \$1,000 per child minimum. Schools from Sarasota, Lee & Collier counties are counting on your help so they might achieve the great honor of attending this event. A donation of any amount would be greatly appreciated.

You may use this letter to serve as record of donation for tax purposes. We find that cooperative efforts between business and beneficial programs for student's, enhance both organizations. We look forward to your support of the Sun Region Florida Odyssey of the Mind program for "young minds".
