From the President

Good day from your new Emperor!

Well, another new ski year (for most, some of you have never stopped skiing). I, as Emperor of the Far West Water Ski Club, declare 2024 as "The Year of the Skier."

I hope everyone has had a great winter and time off the water so you'll be super invigorated to attack the new ski season. At least I am. My ski's ready, my boat's ready, my body's kinda ready, my mind is definitely ready to start skiing in the next few weeks.

That being said, a ski course and dock move was conducted March 3rd to locate the ski course at the very back of Dip Creek. This makes the conditions on-par with any private pond in terms of skiability and way more scenery! There's a picture of Brian Woods skiing in this location that reminds me of Jim and Susan's ski lake in Costa Rica, without the crocodiles..... except the water temps are slightly warmer in CR?

I'm excited to see what Jim and Susan have in store for our 2024 tournaments, hopefully we'll have another great year of participation.

Can't wait to see everyone in April!

Your Emperor / President /
Dock Manager / Token Asian,

Dennis!

From the Tournament Directors

Dear Far West Water Skiers,

The 2024 Water ski season is fast approaching. We hope you are excited as we are for the upcoming season! The lake is well on its way to being full again, which is great news. The course will be in the very back where we always get great conditions. The tournament schedule is listed here. For the first tournament on April 27 and 28, we will continue with last year's format of giving each skier 4 passes for the first round. If a skier makes all 4 passes, then they will be allowed to continue until they fall or miss. If a skier does not complete all 4 passes, then they will not get a 5th pass. The second and third rounds will be the normal format.

Please call/ text Susan at 559-908-9999 or email Susan991@msn.com to let us know if you will be there. We would like everyone on the dock by 8:30am so that we can get things started early.

We need 7 volunteers who are willing to donate the use of their boat in order to cover all of our tournaments. If you are willing to donate the use of your boat, please contact us as soon as possible so that we can make sure each tournament has a tow boat.

If you have any questions, please let us know. It is not too late to hit the gym and make sure that you are ready to put the heat on the rest of your class. We are looking forward to seeing everyone again and to a fun tournament season.

Don't forget to pay your FWWSC dues as well as your tournament fees. You can pay through the [Far West Water Ski Club](http://farwestwaterskiclub.com/index.html) website under "Membership & Registration".
