## Pass/Fail Grading Request Form

Students can request a change in their grading so that they earn a grade of either 'P' (Pass) or 'F' (Fail). Students earn a 'P' grade, and earn credits, if they earn a grade of 60% or better. A 'P' grade does not count towards GPA. If a student earns a grade of 'F', it will count against GPA. The following conditions apply.

1. Students have to request a P/F grading by the Withdrawal deadline
2. Cannot be used for courses required by the major
3. Can be used for a maximum of three classes
