How to Verify Chromebooks are Enrolled in cps.edu
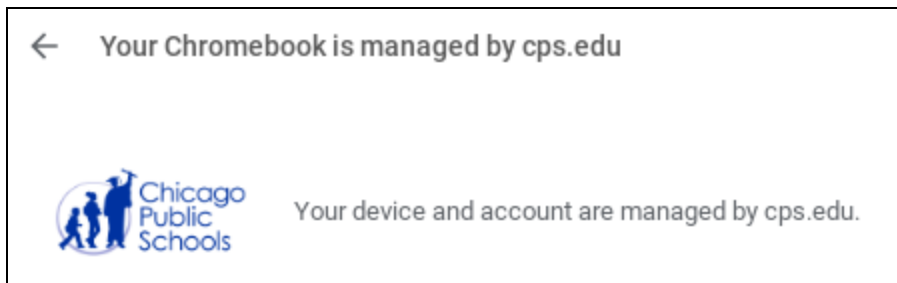

****Last updated June 10, 2025****

Is My Chromebook Enrolled?

- On the bottom of device login screen, a properly enrolled device will display: **Chromebook managed by cps.edu.**

- When signed in, navigate to chrome://management.
    - A properly enrolled device will display: **Your device and account are managed by cps.edu.**

    - An unenrolled device will display the following when logged in with a cps.edu account.

    This message indicates that a managed cps.edu account is logged in, but the device is **_not_** enrolled.
