

First Day of School:

On the first day of school only, we strongly suggest that parents walk their child(ren) onto campus. Please plan to be early. All students should arrive by 8:00 A.M.

Parking: Lot B-5 (please do **not** park in *structure* B5)

You **must** clearly display a CSUN parking permit at all times (this will be emailed to you before the program starts); you may or will receive a parking ticket if you do not.

Our SAEP parking permit allows for certain parking ‘windows’ for drop off and pick up only—not for a full day of parking.

Teachers - Students: On the first day of school, each teacher will be standing on the grass in Cleary Court next to a class sign. Signs will be arranged alphabetically by subject. Please have your student locate their first period or Academic teacher.

At 8:30 A.M., teachers will walk students to their classrooms. At the end of Period 1, Enrichment students will be escorted back to Cleary Court for a break. After the break, Period 2 teachers will meet students in Cleary Court, walk them to class, and return them to Cleary Court at the end of the day.

For the first day only, please plan to pick up your student in Cleary Court. Beginning the second day, you may choose a different meeting location for dismissal. Parents may also wait along West University Drive this year.

Although teachers will only escort students on the first day, Teaching Assistants (TAs) are assigned to each building and will be available to help students find classrooms, restrooms, and food locations.

Please let us know if you have any questions or concerns about the first day.
