

TEPTO Agenda

Wednesday, April 3, 2024: BGP Library 7PM

Rescheduled to : April 17 @ 7PM - BOE/ Dr. Willet's

Office

Welcome - Diana Gascon dcancellieri79@gmail.com

Principal Reports:

Birch Grove - Tom Swanson: Similarly, Birch Grove is mourning another tremendous loss of a parent and beloved community member. There is a fund available to share for contributions to help the family. The schools will be helping to support the family and children. TEPTO would also like to contribute to helping the family and supporting the children at school with all upcoming events. Class parents have been tremendously helpful in pulling together to provide support.

Tolland Intermediate School - Jim Dineen: Ongoing reading and math intervention. Deepest condolences to AJ's family and friends. The school is supporting students and staff through this most difficult loss. Pet therapy dogs are available for staff and students. Students have really enjoyed and appreciated the therapy dogs, will be bringing them back for a few more days. Would like to discuss ways to honor AJ at TIS. TEPTO will collaborate to assist with all plans for remembering AJ in a special way at the school.
