

## Email for caregivers with schedule

Dear Caregivers:

It's detail time! Please find the details of your camper below, including daily locations to pick up and drop off. If there are any issues with either of these, just let me know and I'll see if I can help out. I know the taxi life of a parent is tough! They'll receive a journal, book, supplies, t-shirt, and name badge (as well as surprises) the first day of camp. We'll let them know what days to wear their t-shirts.

Lastly, I'm attaching the [link to the Waiver and Photo Release form](#). If you could sign and then either email or bring it in on the first day.

Thanks for being a part of this pilot. Big things are going to happen with these girls! We are So. So. Excited.

Yours,

Megan and Christina

### **Intern Name: Thea Piziali**

**Intern Goal: to learn more about women-owned businesses and how they function and work**

### **Optional Excursions:**

- Wednesday, July 13th: An Arrive at 5 for the Greater Northampton Chamber of Commerce
  - This is a networking event for our interns where they can practice their communication skills, network, and meet other business owners.
  - If the camper would like to attend as Megan and Chris's plus-ones, please meet at the CC at 5 pm to walk over to the Miss Florence Diner. Caregivers: Please pick up at the Miss Florence Diner at 6 pm.
  
- Friday, July 15th: WWLP New Channel 22's Mass Appeal.
  - The interns will be hosting a segment on live television: How to Create a Vision Board to Set Goals
  - This is an activity they are doing on Tuesday and we'll spend the week prepping for the live segment (which will integrate daily leadership pillars).
  - If the camper would like to attend with Megan and Chris, they will meet at the Channel 22 studio in Chicopee at 10:15 am on Friday. Caregivers are welcome to stay at the studio with us to watch or they (you!) can just drop them off and we'll take them back to the CC.
  - We'll take a behind-the-scenes tour prior to the segment.
  - We will wrap up the segment and watch the rest of the show, leaving at noon.
