Privacy Policy

This privacy policy describes how "Gravity Color 2D" collects, uses, and shares personal information of users of our mobile application "Gravity Color 2D".

Information We Collect

When you use our Application, we may collect certain information about your mobile device, including your device model, operating system version, unique device identifier, mobile network information, and information about how you interact with the Application.

Use of Information

The information we collect is used solely to improve the performance and user experience of our Application. We do not share or sell this information to third parties.

Cookies

Our Application does not use cookies or similar tracking technologies.

Security

We value your trust in providing us with your personal information, so we are committed to protecting it. However, please remember that no method of transmission over the Internet or electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Third-Party Links

Our Application may contain links to third-party websites. These links are provided solely for your convenience and do not imply our endorsement of such websites. We have no control over these third-party websites and are not responsible for their privacy practices.

Changes to This Privacy Policy

We reserve the right to update or modify our privacy policy at any time. We will notify you of any changes by posting the new privacy policy on this page.

Your Consent

By using our Application, you consent to this privacy policy and authorize us to collect, use, and share your information in accordance with this policy.

Contact Us

If you have any questions about this privacy policy, please contact us at [contact email].
