Privacy Policy

Last updated: January 08, 2024

We recognize that privacy is significant. We have created this Policy to explain our privacy practices so you can understand what information about you is collected, used and disclosed. We collect information from you in order to provide corresponding service and better user experience. With your consent of this Privacy Policy, your usage, statistics, input while using our apps would be collected.

1. We do not collect any Personal Information about you.

Personal Information: "Personal Information" is information that identifies you, Personal Information is your name, telephone number, email address, physical address, calendar entries, phonebook entries, files, photos, geographical location and any other information that can identify you.

2. We do not collect any Non-Personal Information about you.

Non-Personal Information: "Non-Personal Information" is information that does not directly identify you or any other individuals. Non-Personal Information may be: type/model of your mobile device, Android/iOS version, language used in system, country code or information about how you use your device.

3. How we store, use and disclose information about you

As we do not collect any Personal or Non-Personal Information about you, we can't store, use or disclose it.

4. Security

We are very concerned about safe guarding the confidentiality of your information. We do not collect Personal Information, and we employ administrative, physical and electronic measures designed to protect your Non-Personal Information from unauthorized access and use. Please be aware that no security measures that we take to protect your information are absolutely guaranteed to avoid unauthorized access or use of your Non-Personal Information which is impenetrable.

5. Privacy Policy of Third Party Service Providers Used By the App

For a better experience, while using our Service, I may require you to provide us with certain personally identifiable information. The information that I request is

retained on your device and is not collected by me in any way. The app does use third party services that may collect information used to identify you.

- Google Play Services

6. Sensitive Information

We ask that you not send us, and you not to disclose, any sensitive Personal Information (e.g., information related to racial or ethnic origin, political opinions, religion or other beliefs, health, sexual orientation, criminal background or membership in past organizations, including trade union memberships) on or through an Application, the Services or the Site or otherwise to us.

7. Changes to This Privacy Policy

We may update Our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. We will let you know via email and/or a prominent notice on Our Service, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
