**** Annual Tuition – Term-Based Refund and Withdrawal Policy**

Annual tuition payments constitute a commitment to enrolment for the full academic year and are used to meet staffing, educational, and operational costs planned in advance. Registration, enrolment, and administrative fees are non-refundable, as they correspond to services rendered at the time of enrolment.

In the event that a student withdraws, tuition fees paid in advance for any academic term that has not yet commenced shall be refunded in full. No refund shall be due for any academic term once that term has commenced, as the School's obligations and costs for that term have been incurred.

Notice of withdrawal must be received in writing at least one calendar month before the end of the current term. Withdrawal only becomes effective at the start of the following trimester.

Any discount granted for payment of annual tuition in advance is conditional upon attendance for the full academic year. In the event of early withdrawal, such discount shall be forfeited, and tuition shall be recalculated at the standard term rate prior to determining any refund.

DISCOUNTS

- **Sibling discount**: the second child from the same family will receive a 10% reduction in the tuition fee, the third child will receive a 15% reduction in the tuition fee and the fourth a 50% reduction in the tuition fee. In the case of A-levels, the sibling reduction will be made on whichever is the lower fee: the sum of the A-levels or the primary/secondary tuition fee.

- **Advance payment discount**: a discount of 5% will be applied to the tuition fees and the annual registration fee if paid in advance for the full year, before 5th March 2026.
