The Introduction:

When we say “Business”, we are referring to “Incorporation”. “Citizens” refer to visitors who are in this document.

Creating a business:

Whether you would like to develop a business for any reason, or not, this document will prepare you if you need to. A business is defined as a group defined as an organization or entity in an activity to generate profit. For any questions, do not hesitate to ask.

- You will need a business license first. Apply for one [here](#).
 - The form ‘Method of Registration 3’ is currently closed.

Falling into the “Survival Stage”:

Businesses are to fall into a period of 6-weeks to see the capabilities of
