

## Coming Soon: A Better Way to Stay Connected

We're excited to announce that Saginaw Intermediate School District-GLBEC is launching Rooms, a new way for families to connect directly with their child's teachers and school staff, all within the Saginaw Intermediate School District-GLBEC app.

Starting August 18, 2025, Rooms will become the go-to place for classroom updates, one-on-one conversations, group messages, and important announcements. This allows us to give you one secure place to stay informed and connected to Saginaw Intermediate School District and GLBEC news.

---

## Say hello to even more in Saginaw Intermediate School District-GLBEC

- **Receive instant notifications.** Receive instant notifications of new messages and announcements, even if you haven't downloaded the district app.
- **Get one unified hub.** All school and district communication, updates, and alerts conveniently located in one single app and web experience, with one single login.
- **Read updates in your preferred language.** All messages, announcements, and updates will be automatically translated to your preferred language.
- **Message staff in one click.** Easily connect with teachers, coaches, counselors, and more and see all of your messages in one inbox.

Families will automatically begin receiving messages once the platform launches. You'll be able to view and respond to messages right from your mobile phone - through the Saginaw Intermediate School District-GLBEC app or mobile web.
