

Senior Photos

Class of 2026

Submitting your senior photo:

- Email (preferred method)
 - Email an electronic file of your senior photo to notorious@sasd.net
 - Electronic photos should be of a high resolution, preferably 300 dpi or higher
 - Inadequately sized photos will need to be replaced by a higher-resolution file
 - Include the senior's first and last name in the image file and subject line of the email
- We accept other methods as well (CD, hard copy), but please email us (notorious@sasd.net) ahead of time if you choose not to submit your photo via email

Please consider when choosing your senior photo:

- All photos are displayed **vertically** in the yearbook
- Our staff and advisor reserve the right to reject any photo deemed to contain inappropriate content or dress
- Photos should be a relatively tight shot of the senior; photos with pets, cars, boats, etc., are strongly discouraged
- All hard copy photos/CDs should be labeled and will **not** be returned unless specifically requested
- Questions regarding senior photos should be directed to our staff at notorious@sasd.net or Mrs. Diven

The deadline for senior photos is December 19, 2025. Several email reminders will be sent to families, and once the deadline passes, to those who have not yet submitted. Students are still permitted to opt out of submitting a senior photo and instead use the one issued on the first day of school (as it appears in Skyward).

Thank you,
Tiffany Diven
