

COUNTY FAIR OVERNIGHT SECURITY

Based on a decision made by the Executive Livestock Committee we are in need of night security in the barns, between the hours of 10:00 p.m. to 6:00 a.m. from Wednesday thru Sunday of the Fair.

Two adults per night are required and they must be at least 21 years old. Consider the possibility of arranging to split the time with others. Security would monitor only the Beef, Sheep, and Swine barns. Radio communications will be available to put you in contact with the Sheriff's Dept. in the event of an emergency. Volunteers will also have access to the show ring office for a rest area.

We are asking parents with children in the Beef, Sheep, and Swine projects, or other responsible adults, to consider donating their time. If you can do this, please designate the date or dates you are available.

Please return this sheet by June 30 to the extension office.
