

NWORTA VOLUNTEER 3-DAY OVERNIGHT SHABAQUA TRAIL MAINTENANCE OUTING

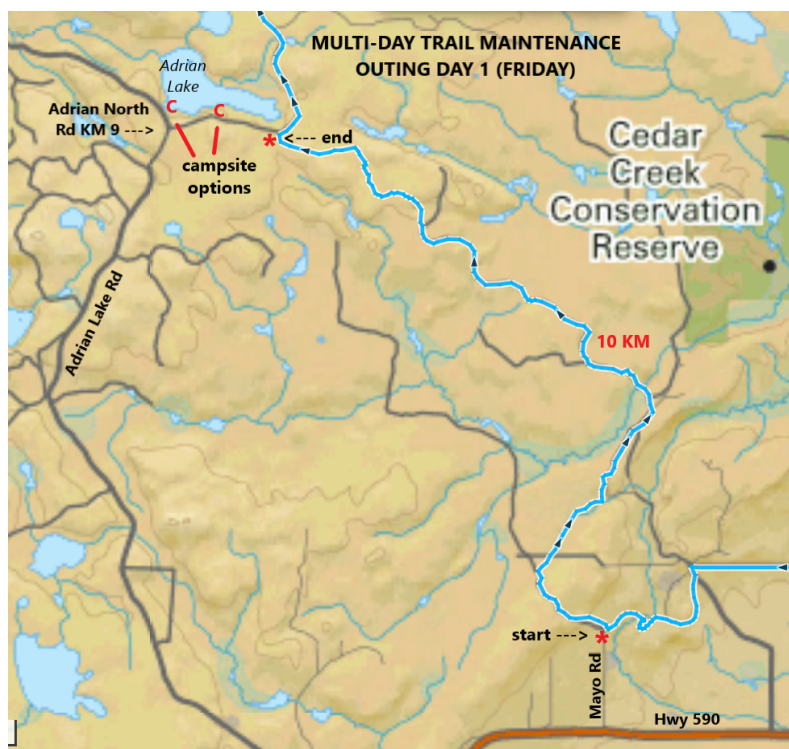

Meet Date: **Friday August 14**

Meet Time: 8:30 AM

Meet Location: empty lot next to Inver gas station in [Kakabeka Falls](#)

Departure Time: 9:00 AM

Target Work Area: Mayo Road to Adrian North Road (Adrian Lake) - we will camp at Adrian Lake

We will start at [Mayo Road](#) and end on Adrian North Road. Trail distance approximately 10 km. Much of this trail is an old road we have brushed out so ATV access is possible for the first 8 km. The first part does have some rocky sections. There is one section close to Adrian Lake that is narrow and not ATV friendly.

Equipment that we need for the day includes chainsaw, brush saw, leaf blower. Chainsaw can only be used by those who are certified. I hope to add paint blazes if we have enough people power, so we will have all the gear for that too. These will be left at our start point (Mayo Rd).

Another vehicle will be taken to our end point (Adrian Lake), which will hold our supplies needed for that night and the next day. We have a large screen tent we will set up at Adrian Lake so we can escape the bugs. If you are staying overnight be sure to bring all of your tenting/bedding gear.

NWORTA will supply dinner, water, all equipment. Please bring appropriate footwear, clothing, gloves, safety glasses, bug spray, hat, sunscreen, lunch, snacks, rain gear. We recommend Gatorade or similar. Let me know if you have any dietary restraints. We will then have to retrieve the first vehicle

and do the same leap-frog for Saturday. Please let me know if you are willing to offer your vehicle for shuttling.

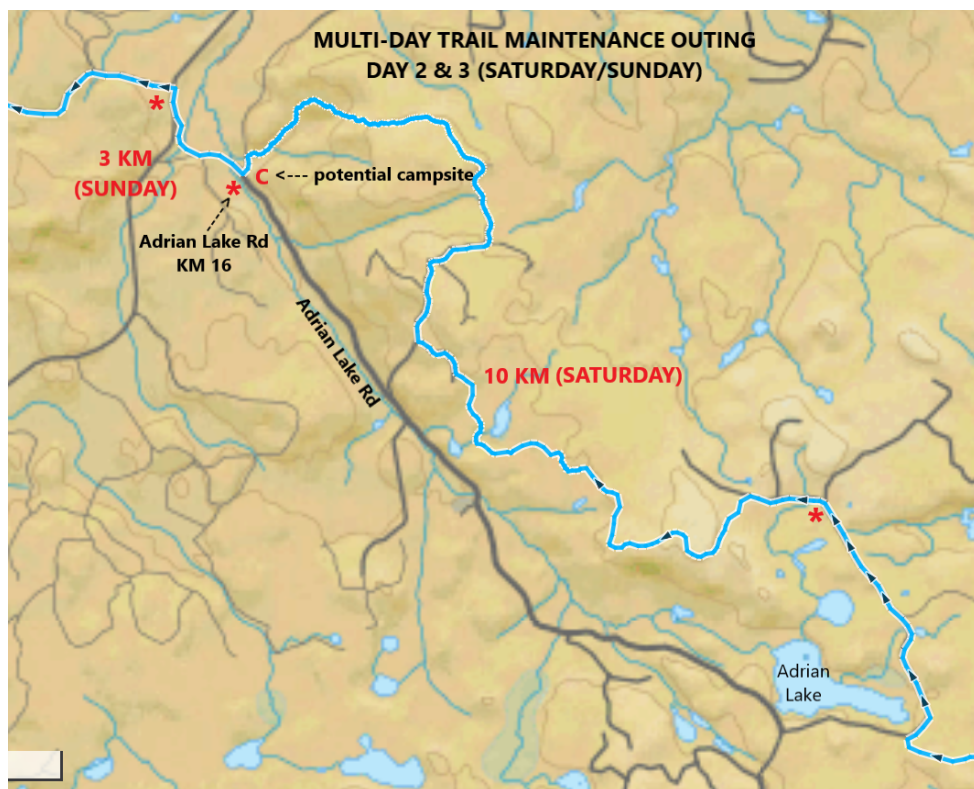

Meet Date: **Saturday August 15**

Meet Time: 8:30 AM

Meet Location: [Adrian Lake](#) (KM 9 Adrian Lake Road)

Departure Time: 9:00 AM

Target Work Area: [Adrian North Road to KM 16 Adrian Lake Road](#) (Wiegand River)

Similarly to Friday, we will leap-frog a vehicle on Saturday to KM 16 on the Adrian Lake Road where we will finish for the day. This is near the Wiegand River. It will be left at the entrance to a road nearby with supplies needed for that night and the next day. Our start point will be 3 km. up the Adrian North Road. This again is an old road we have reclaimed so it is ATV accessible for the first 3 km. This situation occurs for the remainder of the trail whereby some sections are ATV friendly and others aren't. If you are bringing an ATV, let me know and we'll plan for that.

Similarly, NWORTA will supply dinner, water, all equipment. Please bring appropriate footwear, clothing, gloves, safety glasses, bug spray, hat, sunscreen, lunch, snacks, rain gear. We recommend Gatorade or similar. Let me know if you have any dietary restraints.

We will set up the screen tent again at KM 16 and have to retrieve the first vehicle and do the same leap-frog for Sunday. Sunday's trail maintenance outing is much shorter (3 km.) so the shuttle distance is shorter as is the trail maintenance distance, making for an early afternoon quit.

Meet Date: **Sunday August 16**

Meet Time: 8:30 AM

Meet Location: [KM 16 Adrian Lake Road](#)

Departure Time: 9:00 AM

Target Work Area: [Adrian Lake Road to Glenwater Road](#) (short day)

(see above map)

Sunday is only 3 km. This means it will be an early quit. We will shuttle one vehicle to Glenwater Road. As it is very short section, no ATV's are needed, however if you want to bring one that's fine.

I need confirmation of your attendance by Monday August 10 so we can plan for transportation. If

I have missed something or you have any questions, please email me lday@nworta.ca

Thanks everyone!

Len.
