Congratulations to eighth grader Payson Scribner and sixth grader Maddie Olvera and Chandler Finberg! They were winners of the Veterans Day writing contest and read their poems at the Veterans Day assembly. Great job representing CFJH!

If you personally know a veteran (perhaps a relative, friend, or even a neighbor), reach out to them on Veterans Day with a phone call or visit. This is one opportunity to engage beyond just saying thank you. If they are comfortable discussing it, ask where they served, where they were stationed, and what specific jobs they did while serving.

Here at CFJH we "Green Light a Vet" this week. Green is the color of hope, renewal and well-being. "Greenlight" is also a term commonly used to activate forward movement. The simple action of changing one light to green is intended to spark a national conversation regarding the recognition of veterans, and "greenlight" them forward as valued members of our communities. America's veterans are some of our nation's bravest, hardest-working men and women. However, it is hard to show them the appreciation they deserve when, back home and out of uniform; they are more camouflaged than ever.
