

[Template] **Workshop 2 – Facilitator Feedback Form**

What is it?

This form is intended to collect feedback from facilitators of Cornerstone Workshops to inform the proceeding data analysis.

How do you use it?

Workshop organisers can print this document or share links to digital copies with facilitators by email. Feedback Forms should be introduced to facilitators ahead of the event so they are familiar with the outputs and comfortable with completing them.

PART 1: WORKSHOP DETAILS	
Requested detail	Response
Facilitator name (+ organisation you represent if applicable)	
Date of workshop	
Location of workshop	
Demographics <i>If you are comfortable to do so please give a short overview of the group's demographics.</i>
