Supporters*

Indicate whether the submitted manuscript derives from a project financed with funds or institutional support from national or international competitive calls. Otherwise, write "None".

Spanish translation*

Indicate whether the authors have their own funding to professionally translate the submitted manuscript into Spanish (if accepted by the journal): Yes / No

Code of Ethics

Specify if the research has received approval from the Ethics Committee of your institution (if necessary for the research).

Conflict of interest*.

Indicate if there is or was a conflict of interests that has influenced this manuscript: Yes / No

Author Contributions*

According to the CRediT Taxonomy (Brand et al., 2015), indicate the contribution of each author of the manuscript using their initials. ([See taxonomy](#))

(*) Specify only the roles that were necessary for your research.

[Example: *Conceptualization: A.A; Methodology: A.A, y B.B.; Data Analysis: A.A., C.C., etc...*]

TITLE IN ENGLISH

Abstract. Abstract in English of a maximum of 200 words. In the case of research articles, they must follow the IMRD structure: introduction/objective, methodology, results and discussion. In the case of essays, only the introduction and conclusions sections are mandatory.

Keywords: One / Two / Three / Four / Five
