

Name \_\_\_\_\_ Date \_\_\_\_\_

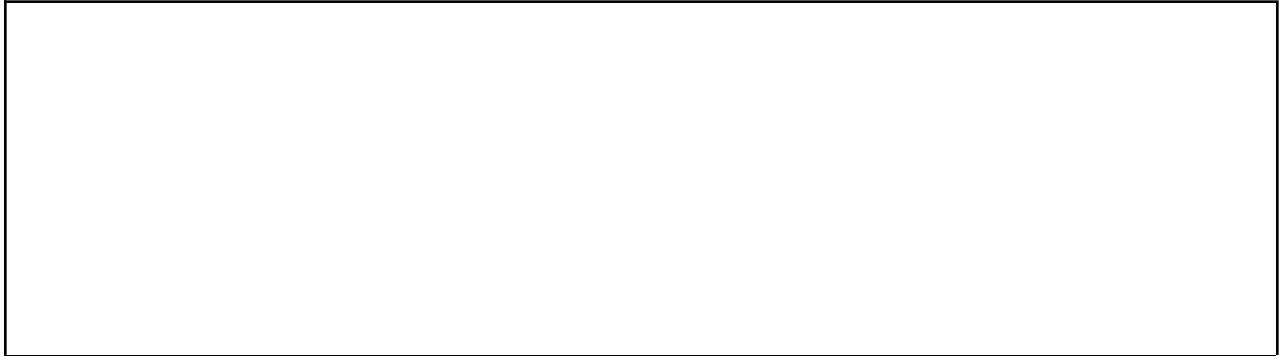

## Grade 2 – Unit 1: Numbers to 100

1. Write the numeral represented by each picture.

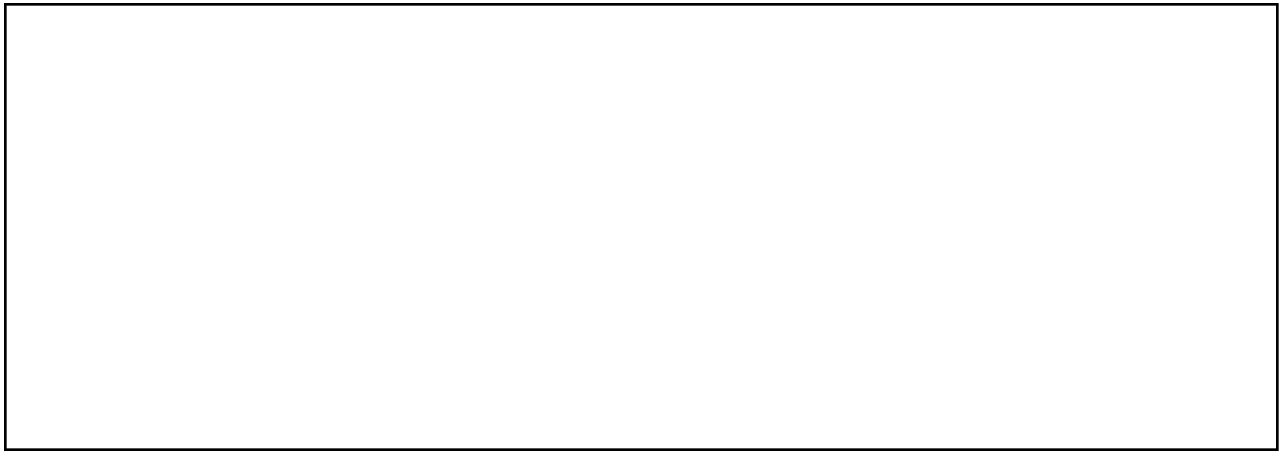

| Numeral |                                                                                      |
|---------|--------------------------------------------------------------------------------------|
|         |    |
|         |    |
|         |    |
|         |   |
|         |  |
|         |  |

Name \_\_\_\_\_ Date \_\_\_\_\_

2. Represent 32 using tallies.

3. Represent 50 using coins.

4. How many ten frames could you fill with 50 pennies? How do you know?
