

Prompt - 1

Create a highly emotional Brothers Day artwork using uploaded sibling images. Keep both faces extremely realistic and identical to the uploaded photos. Show a cinematic transition between childhood and present life. Include younger childhood versions of the siblings naturally blended into the background like nostalgic memories. The scene should emotionally represent growing up together, protecting each other, fighting together, and staying connected forever. The elder sibling (First person in the image) should feel protective and mature while the younger sibling (Second person in the image) feels admiring and emotionally connected. Add warm sunset tones, nostalgic cinematic lighting, emotional smiles, realistic human expressions, dreamy memory effects, film grain, floating particles, realistic depth, emotional atmosphere, highly detailed clothing texture, soft cinematic blur. Add emotional quote in stylish typography: "No matter how old we grow... we still carry the same childhood bond." ultra realistic photography, emotional storytelling poster, Netflix cinematic color grading, 8k masterpiece

Prompt - 2

Create an ultra realistic emotional Brothers Day cinematic portrait using the uploaded images of two siblings (First one Male elder and the second one female younger). Preserve their exact facial features, skin tone, hairstyle, body type, and natural expressions from the uploaded photos with high accuracy. Show a deep emotional sibling bond that clearly represents both younger brother & elder brother energy, along with protective, caring, playful, and emotional brother-sister style warmth. Their chemistry should feel natural and authentic, like real-life siblings who grew up together through memories, fights, laughter, and unconditional support. Pose ideas can include: walking together shoulder-to-shoulder, forehead touch, laughing while holding each other, elder sibling protecting younger sibling, sitting on a bike together, childhood-style playful interaction, or emotional sunset hug. Add cinematic golden sunset lighting, realistic shadows, warm skin tones, detailed eyes, natural smile details, soft wind movement in clothes and hair, depth of field, dreamy background blur, emotional atmosphere, volumetric light rays, realistic environment textures, ultra detailed skin texture, DSLR photography look, 85mm lens effect, high dynamic range, premium color grading. Background should feel meaningful and nostalgic: street memories, rooftop evening, beach sunset, rainy road, childhood neighborhood, or emotional open landscape. Add subtle floating dust particles and cinematic mood. Include elegant typography quote: "Brothers by blood. Best friends by soul."
