Home Stays with neighbors and friends of the SFSH:

We have several friends and neighbors who are interested in renting a room of their house to our students and clients. Generally this arrangement includes a shared kitchen and bath. Most are located near public transportation. Prices vary, but average is about \$50/night. See our Private Housing list.

We highly recommend www.AirBnB.com for room rentals in the area.

Please contact our office manager at officemanager@self-healing.org
