

The [Concurrent Enrollment \(CE\) program](#) provides an opportunity for district high school juniors and seniors to earn both high school and college credit for college courses taken at Erie High School. Juniors or seniors may take Front Range Community College classes offered on Erie High's campus or they may take other pre-approved classes at FRCC, AIMS or CU-Boulder. Classes taken through CU are subject to higher tuition rates that are the responsibility of the student and will not fully be paid for.

**St. Vrain will pay the tuition for up to two courses per semester. Students taking concurrent classes must follow strict district guidelines in order for their tuition to be paid for.**

Please see your counselor for more detailed information about this process. [Concurrent Enrollment Slideshow](#)

**It is the student's responsibility to:**

- Fill out the [CE form](#) by the deadline. **Parent/Guardian signature is required.**
  - Students who do not follow the deadline dates are subject to not being approved to have the college classes paid for by St. Vrain Valley School District (SVVSD).
- Follow all college requirements for application and registration.
- Purchase or rent the textbooks required for the class.
- **Pass the classes with a C or above. *Students who receive a D, F or Withdrawal from a CE class will not be approved to take future CE courses that are paid for by the district.***
- Contact the FRCC disability office if the student has a Health Plan, 504 Plan or IEP.

**Please note that all FRCC courses are subject to change based on registration numbers and FRCC staffing. It is imperative for students to register for alternate electives in the event that offerings change or required paperwork is not submitted.**
