

New Student orientation days are scheduled as follows:

**During orientation, students will move through the classrooms, meet teachers and do brief tasks in order for teachers to observe and briefly assess students. While students are in the classrooms, parents will meet with the school directors to receive an overview of school procedures such as drop off/pick up, school safety protocols as well as other information about TES.*

Parents will also be meeting the team of teachers at this time and thus would not need to come to the Meet the Teacher Night on 8/1/14.
