

2020 Fellow Workshop - Group 4 Notes

Deborah, Marla, Jodi, Paul, Jeremy, Shane

What works....

Schoology?? Chromebooks school platform

Post a week agenda

Parents confusion because of multiple places to go for information. School setting on place for all information

Video lecture.

School had media in place for virtue

Agenda for meetings on Zoom

Student participation

Breakout rooms in Zoom

Got to know students better

Document writing....zoom using camera as a document camera

What did not work

Zoom sessions not as helpful

Internet connections

Meeting times?

½ hour per meeting per week

2 hours per week....with a weekly agenda..something to do each day..message teacher with questions...Video of solutions at the end...

Much slower pace

Lab demos with video.

Phet Labs

Spreadsheet based labs.

Utube for demos

What is the implications for workshops??

Give window of time

Do chunks
