

ASCENSION SHOW CHOIR

FINANCIAL INFORMATION FORM

2026-2027

ABSOLUTELY no student will be excluded from participation due to family financial circumstances. Free/Reduced lunch students will have their "Fair Share" adjusted accordingly. Please talk to Mr. Dyrland if additional assistance is needed.

"FAIR SHARE": The cost per singer of producing the Point show each year is **\$100/singer**. This \$100/singer amount actually only covers a portion of the cost of group expenses. The remaining cost is covered through other funding sources (primarily the fundraising activities of the Prairie Music Association) and is used on your child's behalf. This \$100 fee will appear on your student's inTouch account after sign-up.

REIMBURSABLES: Students will need to purchase "personal items" as part of their costume. These items are purchased on your behalf to take advantage of group discounts, tax exemption, and to ensure uniformity. The total cost for these items will be added to inTouch after January when all purchases have been made. If your child is a returning member of the show choir program, they may be able to reuse some items that they have purchased in the past. Any purchased items are the property of the student, and will be released to him/her at the conclusion of the season. A sample of these items and their *estimated* costs includes:

COSTUME PIECES: performance shirts (\$15-\$25), rehearsal t-shirt (\$10), etc.

Removal from the group for any reason does not relieve my financial obligation for my portion of group expenditures and any individual/personal expenses made on my behalf by the date of my leaving the group.

Payments are made via your inTouch account: <https://ia-collegecommunity.intouchrecepting.com/>

VOLUNTEERING:

I also understand that part of my financial commitment to Ascension Show Choir is to assist with PREMIERE – The Prairie Show Choir Invitational. Parents/guardians are needed to work at least one shift (approximately 3-4 hours) on Saturday, January 31, 2026. Students may be required to host visiting students for the entire event. Proceeds earned from this fundraising event directly benefit every show choir financially and consequently keep individual costs as low as possible.
