-New SSEEX Framework module.

00000000.thp (P+Ex/movie)

-Failsafe movie file for SSEEX purposes.

Character Changes

Ridley

-The Prime 1 Meta Ridley alt now utilizes a passive texture animation for his wing lights.

Waluigi

- Waluigi's eyes, irises, and eyelids have been re-textured (and re-UV'd). Courtesy of Dapperman.
- Waluigi's skin tone has been dimmed across all alts to better reflect his pre-Brawl appearances. Courtesy of Mach7.
- Harry now has alts to go with Waluigi's alts. Courtesy of Dapperman.
- Fixed a bug which let Waluigi drift when a standing grab was executed out of an empty pivot.
- Fixed an improper hitbox flag for Side Tilt (upward angle).
- Fixed missing footstep SFX when walking with a heavy item.
- Fixed missing vocal when using the Beam Sword's Smash Attack.
