Template letter to your MP

Dear <MP NAME>,

I am getting in touch to let you know how you can support <YOUR ORGANISATION NAME> work to end and prevent homelessness in our community.

<PLEASE INSERT ANY OTHER INFORMATION ABOUT YOUR SERVICE YOU WISH TO SHARE>

As you will know, record levels of homelessness nationwide, and a tightening of funding from national and local government, has put extreme pressure on homelessness services like ours.

That's why we are supporting [Homeless Link's 'Breaking the Cycle' campaign](#), which urges government to ensure the upcoming cross-departmental Homelessness Strategy takes a fundamentally new approach to ending homelessness.

In the next week, there will be an opportunity to raise these issues directly with Government Ministers during the **'Adequacy of funding to support homeless people' debate in Westminster Hall**.

As my local MP, I'd ask you to attend and speak up for the value of homelessness services in your constituency. **The debate takes place at 9:30am on Tuesday 2 December 2025 in Westminster Hall.** [You can read a debate briefing provided by Homeless Link on their website](#).

<IF INVITING ON A VISIT> To understand how frontline services like ours can play a part in achieving the government's pledged ambition of "getting back on track to ending homelessness," **I would like to invite you to visit our service at a time which suits you.**

<IF INVITING ON A VISIT> Please let us know when you would like to meet – there will also be an opportunity for a photograph with our campaign banner.

This is a crucial moment for turning the tide on rising homelessness, with the Government pledging to introduce a Homelessness Strategy in the very near future. The new Homelessness Strategy presents a generational opportunity for a truly cross-government effort to create a system that is fit to end homelessness – in our community and nationally.

Please let me know if you can offer your support in any way. It would be greatly appreciated. You can find out more about the [Breaking the Cycle campaign on the Homeless Link website](#).

Thank you for taking the time to read my request, I look forward to hearing from you.

Kind regards,
