

# ALKHIMOW'S TERMS OF SERVICE

***By making a payment or donation, you automatically agree to these rules.***

I model the characters with my style and **do not try** to mimic the artstyle of the original author.

Some very styled/exaggerated characters might not fit my artstyle, so please think about it before hiring me.

There are no refunds after payment. If you aren't sure or can't pay - don't buy.

For orders under 500\$ payment is 100% in advance. For orders above 500\$ payment is split, 70% in advance and 30% upon completion.

The only accepted payment method is EasyStart, Boosty or USDT.

Any modifications and changes to the model are not allowed at the retopology stage!

I publish all my models in my social media as a portfolio.
