

Howe's It Going?

Room 21 Newsletter: 5/11-5/15

Happy Friday! One more week of school!

This week in math, the kids got to create their own math games. Each group picked a skill that we have worked on this year and then planned and designed a game to practice the skill. Today, we all got to try each other's games. In reading, we finished our cryptid unit! We spent the rest of the week working on a five part story on ReadWorks. In science, we have been doing a Mystery Science lesson on volcanoes. In writing, we finished our astronaut stories.

The quarter is rapidly approaching. Due to testing and preparing for testing, the gradebook this quarter is a bit light. It is very important that your student is working on making up any missing assignments!

In the hubbub of a Friday afternoon, I forgot to pass out the yearbooks to students who ordered them. I will pass them out on Monday!

Go Pioneers!

-Mrs. Melvin

Important Dates

- ❖ May 19: Field Day
- ❖ May 21: Awards Ceremony (only parents of award winners invited)
- ❖ May 22: LAST DAY OF 4TH GRADE!
