CAT Member Signup & Contact List**

The Contract Action Team (CAT) is the engine of our faculty power at the bargaining table.

As a two-way member-to-member communication network, we will regularly update and mobilize our colleagues in support of negotiations. By keeping members informed and engaged, the CAT Team creates pressure to help the bargaining team achieve its priorities.

As a CAT member, I commit to...

- Attend CAT meetings (and/or speak with my CAT Lead) to remain informed;
- Give regular bargaining updates to 3-10 colleagues within my department or college (names below);
- Ask these colleagues to join me in taking action to support negotiations.
