For all the cat(girl) lovers out there. You too can have an anime catgirl on your desk.

After a long awaited wait (literally a year and some lol), the Catgirl Deskmats Group Buy/Preorder is finally LIVE!!! This has been a huge passion project of mine and I've been VERY patient (secretly very impatient) about how long it has taken it to finally take off, BUT IT IS HERE AND I HOPE YOU CAN SUPPORT THIS DREAM OF MINE AND MAKE IT A REALITY. Thank you to those that remember this project and have waited patiently as well.

It's been a while, but it is here. :')
