<input checked="" type="checkbox"/> Ashley Stitt, President	<input type="checkbox"/> Jen Borbonus	<input type="checkbox"/> Krista Ahlborn	<input type="checkbox"/> Vacant
<input checked="" type="checkbox"/> Tia Blystone, VP-BB	<input type="checkbox"/> Steve Frye	<input type="checkbox"/> Cara Haines	<input type="checkbox"/> Vacant
<input type="checkbox"/> Shelby Braden, VP-SB	<input checked="" type="checkbox"/> Rob Govern (via phone)	<input type="checkbox"/> JD Latimer	<input type="checkbox"/> Vacant
<input type="checkbox"/> Emily Beggs, VP-TB			
<input checked="" type="checkbox"/> Joseph Baker, Treasurer			
<input checked="" type="checkbox"/> Amanda Hauser, Secretary			

II. Approval of Minutes

A. *Motion to approve the minutes from the May Board Meeting.*

Motion: Joseph Baker Second: Amanda Hauser Vote: No nays Pass

III. Presidents Report

Pirates Tickets received and distributed

Lighting project for Field B supplies have been ordered and project to begin soon

In hopes that it will be completed for the fall season.

IV. Treasurer's Report

[DAYAA 6-2025 Treasury report.pdf](#)

Revenue is based on registration fees only. It was reported that baseball had a large deficit which did not include the portable mound purchased for Latimer Field. The amount of this deficit was questioned and is to be looked into by the board.

V. Committee Reports

A. Concessions- The ice maker in concession is only sporadically working. A new one was seen on Amazon for \$150. Volunteers to work as well as open/close concession is still an issue. It was proposed that volunteers check amount be increased as well as coaches families having to volunteer at least once depending on registration numbers. For board

Members opening/closing of concession it was proposed possibly rotating baseball
One week softball the next. These ideas will be considered to be tested in fall season.

- B. Grounds- 1 company evaluated our need for an asphalt curb to help prevent flooding on the tball field
As well as repair the large crack in the pavement and holes around the drain. We are
Awaiting the quote and trying to obtain at least 1 more quote for comparison. James Niggle
Suggested 2 other options if asphalt proves too costly (rubber curbs, landscape curb).

VI. Vice President Reports

Shelby for Softball: None

Emily for Tball: None

Tia for Baseball: 8U baseball and 10U baseball will each participate in 3 tournaments for All Stars.

Fall ball options are possibly with Laurel Highlands or Indiana.

Rob Govern would like to provide plaques to 8U, 10U, and 12U players for their
Performance this season. 11 plaques at \$12.50 each (\$137.50). It was felt that
The current deficit baseball is showing might be too high for the board to
Pay for the plaques. This discussion will be moved to the Executive Board
Text group for further discussion.

Baseball and tball would like to begin registration for the fall season soon. It was
Suggested that it would be nice to do softball at the same time to lessen confusion
From families. This will be discussed in the Executive Board Text Group so that
Shelby Braden, VP of softball, will be included to see if this is possible.

Update by-laws or rules/regulations to reflect that managers get ½ credit per
Season and assistant managers get ¼ credit per season towards seniority.

VII. Citizen Remarks (Agenda Items Only)

None

VIII. Items of Business Regarding Finance
