Associate Degree Nursing (LPN to ADN Option) 2027

Application Deadline: October 2, 2026

Ranking and Selection Process:

Applicants who complete the application process in its entirety and meet all eligibility requirements will be reviewed and ranked according to the applicant ranking rubric included in this packet. **Applications that are incomplete, missing required documentation, or submitted after the deadline will not be reviewed.**

Total points will be calculated for each applicant using the stated rubric. Coursework included in the applicant ranking rubric was selected in alignment with the North Carolina RN-to-BSN Uniform Articulation Agreement. **Only the courses specifically listed on the applicant ranking rubric are eligible for point consideration; substitute, related, similar, or higher-level coursework will not be accepted for ranking points.**

To be considered for ranking points, coursework, credentials, certifications, and degrees must be completed and reflected on official records by the application deadline. **In-progress coursework, pending degree conferral, or expired credentials will not be considered.** Transfer coursework and degrees completed at another institution will only be considered after official transcript evaluation by Davidson-Davie Records.

Applicants may receive points for the highest completed degree earned only. Points for multiple degrees are not cumulative.

Applicants are responsible for ensuring all required and optional supporting documentation is submitted and received prior to the application deadline and before submission of the Ready for Final Review Form. After the Ready for Final Review Form has been submitted, no additional materials, transcripts, or documentation may be added, updated, or considered for ranking purposes, even if received prior to the deadline.

Applicants with the highest overall point totals will be offered conditional acceptance into the program. In the event of a tie, applicants will be ranked using the following criteria in order:

1. Higher total points earned in Academic History
2. Higher total points earned in Additional Items
3. Date and time the applicant correctly submitted the Ready for Final Review Form

Admission decisions will be available after 5:00 PM on the decision release date through the application portal under Status Update. Students offered conditional acceptance **must submit their Intent to Enroll Form within 7 calendar days** of notification. Applicants who decline admission will forfeit their seat and the decision cannot be reversed.

An alternate list will be established and used in ranking order should seats become available. The alternate list will remain active until a date that allows newly admitted students adequate time to complete required clinical clearance requirements. After that time, interested applicants must reapply for a future term.
