Check the [recording](#) for more details.

I feel we are very unique for a summer camp.

We are in Northeastern Pennsylvania! About a 3.5 hour drive from the city

Kds from 8 to 16 years old.

Founded in 1964 by 2 New Yorkers, tired of how the education system was planned and more curious about alternative education models. Purposely small program so everybody knows everyone (1:3 ratio, 170 campers, 70 staff members)

We have 3 music programs:

- 1- music and vocal program: classes and many performances opportunities (campers cabaret, informal "5 o'clock special from a piece of work)
- 2- rock music program: huge and very popular, cast into bands, one giant rock show at the end, vary different songs, original music too
- 3- musical theater program: very popular and diverse. Non competitive camp so everyone who wants to be in a show can be in a show. Everything is done by the kids, even the set. We perform one original new show every summer, happy to support composers and their new work.

OUR 2025 SESSIONS:

4-Week Session **June 29-July 26**

3-Week Session **July 27-August 16**

First 2-Week Session **June 29-July 12**

Second 2-Week Session **July 13-July 26**

Third 2-Week Session **July 27-August 9**

Fourth 2-Week Session **August 10-August 23**

Thank you to all camp presenters.

8:52pm - Students sharing their experiences

Jack Stuart Berman (Senio Instrumental) - French Wood Sports & arts

Sister camp of the bigger French Wood Festival - Upstate NY, 300 campers

I was part of the rock program, play songs with a band, 3 period a day to rehearse, I had majors and minors.

They used to offer scholarships to kids playing in the city bands.

Andrea Enriquez (Junior Vocal) - Interlochen, for 2 years.

In the jazz program they put vocal and instrumental together.

They keep HS students together.

Classes with bands, teachers were different the 2 different years.

They have a lot of extracurricular activities.

I feel I improved a lot after going there.

Elyana Hassidim (Sophomore Vocal) - Billabay for the 2 past summers.

I was busy with musical theater and rock band, but time to do ceramics in the morning.

Small camp so you know everyone. They make me go out of my comfort zone.

There is a rigid schedule of the day but you can make some choice. At each meal, each director of the programs will come and tell kids what is open. You can choose where to go outside of their art commitment.

Ysobel Leonard (Senior Vocal) - BUTI

only classical music. Pretty strict schedule, wake up 6:30 to go to class.

Classes:

We got to see a lot of shows outside in Boston.

Alumni & Friends can help with any kind of scholarships.

9:03 - Wrap up
