

## #1: Stash

**Headline:** Start investing with as little as \$1

If you're looking to invest on the go, Stash gives you the freedom to invest in fractional shares of stocks, bonds, ETFs, commodities, values-based investments and more—from an easy-to-use app.

Whether you'd like to automate your investments or round up your regular purchases, the Stash app makes it easier to regularly contribute to and/or supplement your existing investment portfolio.

Are you self-employed? With a Stash+ subscription, you'll also get to save smartly for retirement. Roth or traditional IRA? What's the right strategy for your retirement savings? The freedom to choose is yours with a Stash+ account.
