Home-School Compact Planning Tool

Targeted Academic Skills - Grades k-2

Our FOCUS for Grade(s) _____	WHY this is our FOCUS
The 3 most important skills students must master by the end of the year:	*Student data documenting the need to address the identified skills:*
Skill 1: By the end the year, your child should be able to: • *Recognize and name letters and their sounds as well as use these skills to build words.*	*In June of 2021, 49% of the students in K-2 were far below in foundational skills such as letter recognition, letter sounds, and blending words to build reading fluency.*
Skill 2: By the end of year, your child should be able to: • *Ask and answer questions about key details in text.*	*In June of 2021, 49% of the students in PK-2 were far below in foundational skills such as letter recognition, letter sounds, and blending words to build reading fluency.*
Skill 3:By the end of year, your child should be able to: • *Know their grade-level high frequency words.*	In Acadience Spring 2021 data, over 60% of students did not automatically recognize their grade-level high frequency words.

What families could do to help at Home

To help students master Skill 1:

- ☐ *Ensure that your child reads every night! Make reading fun!*
- ☐ *DYAD read w/ your child a few times a week.*
- ☐ *Practice letter names and sounds. Have them make words every day.*

To help students master Skill 2:

- ☐ *Ask "w" questions: who, what, when, where, why*
- ☐ *Ask what happened at the beginning, middle, and end of the story.*
- ☐ *Ask your child what the main idea of the story is and what key details support the main idea.*

To help students master Skill 3:

- ☐ *Practice grade level high frequency words from their grade-level list- have them say it, spell it, and write it.*

Family Learning Event Calendar

Date	Event	Skill Families will Practice
August	24th- Back to School Day	k-2- Read with your child 3-5- How to have fun reading with your child
September	SEP Conferences	k-2- Learn DYAD reading technique for parents 3-5- Prompt a retell w/ main idea first
