

## Outreach Feb 28

Hey <box\_name>,

<box\_compliment>

I wanted to reach out because I can help you improve your engagement in your <box\_free\_value>s with a method I call “Emotion Triggers” that will scale your client pool in just 7 days.

Don’t get me wrong, your <box\_free\_value>s are good and I believe adding a little bit of <box\_improvement> would highly benefit you like:

“<box\_example1>

<box\_example2>”.

So I wrote you one <box\_free\_value2> below about your <box\_product/rewrite> that will bring you 2x more clients than usual.

Talk soon,  
David Samvin
