

Mary Jane Dunning Krause

2025 Scholarship Application

The Mary Jane Dunning Krause Scholarship Fund was established at the Maine Community Foundation to provide scholarship assistance to graduating seniors at Freeport High School pursuing post-secondary education at a 2- or 4-year college or university, or in a certificate or trade school program. Recipients will be hard working students from Freeport who demonstrate integrity, a commitment to excellence, generosity of spirit to individuals of diverse experiences and backgrounds, and devotion to family, friends, and their community. Financial need will also be considered.

This fund celebrates Mary Jane Dunning Krause, a long-time Freeport resident whose three daughters and many other family members graduated from Freeport High School. A nurse and a single mother, Mrs. Krause valued education and life-long learning in all its many forms and was an active volunteer in the community. Her sense of humor, optimism, and selflessness made everyone around her a better person.
