

7TH GRADE SOCIAL STUDIES PLAYLIST

Week of 1/5/26 - 1/9/26

Module 9 - Alexander the Great

Learning Targets

Essential Question : Why might historians consider Greece the first western civilization?

In this unit we will: explore Alexander the Great’s impact on the Mediterranean region and the spread of Greek culture into Egypt and Asia. We will also learn how his reign became known as the Hellenistic period.

Students will:

- Explain the lasting contributions of Alexander the Great and the Hellenistic culture

Standard(s):

H.2- Cite examples and explain the enduring impact that Ancient Greece and Ancient Rome had on later civilizations.
