- Walk locations are carefully selected
- We vary walking routes, where possible
- Dogs are never be left unattended in vehicles and when collecting other dogs will ensure the vehicles are in sight
- We do not let dogs off leads unless we are 100% confident in their recall and we are in a safe environment
- We are in contact with other local dog walkers so we can support each other in case of an emergency
- We will not share locations of our walks on our social media

What you can do:

- Make sure your dog is microchipped and details are up to date
- Ensure your dog has an identity tag
- If your dog does tend to wander a bit further away possibly invest in a tracker or use a longline
- Practice recall so that it's 100% even with distractions
