Recognitions

Penny Olsen, Mustang of the Week

Congratulations to **Penny Olsen**, our **Mustang of the Week**. She was nominated by Ms. Baye, her math teacher. She said the following about Penny:

“Penny has worked incredibly hard to be a great math student. She was even willing to come in early on a late start to get additional help.” - Ms. Wiser

Penny’s favorite subject is PE. She loves sports, especially soccer and basketball. Penny also enjoys hiking, cooking, and hanging out with friends. For being selected as **Mustang of the Week**, Penny gets a voucher to Cafe Rio, a candy bar, and a Mustang of the Week t-shirt. Congratulations Penny!

MJH Girls Volleyball Opens Up Postseason Play on the Road

The girls’ volleyball team kicks off their playoff run today, October 6th. They will travel to the brand new Horizon Junior High and will be the first away team to play on their court. We wish them good luck for today and on their playoff run! Let’s go MUSTANGS!

First Band Concert of the Year

Many of our band students had their first performance of the year last Thursday night. Our bands are so talented—their performance quality rivals that of many high school bands. This is due to many hours of dedicated practice (including coming to school early on multiple days of the week) and their amazing band teacher, Spencer Frohm. We are so proud of your incredible display of talent. Way to go, MJH Band!

Millcreek Students Shine at Soldier Hollow Mountain Biking Event

Congratulations to the Millcreek students who competed with the Bountiful and Woods Cross Mountain Biking Teams for their exceptional performances at Soldier Hollow this past weekend!

[Click here to view more MJH Mt. Biking Students.](#)

Both teams rode to impressive finishes — Woods Cross took 2nd place, while Bountiful claimed 3rd place in their division. In addition to their athletic success, Bountiful also brought home 1st place in the region for both volunteerism and character, highlighting the team's dedication both on and off the trail.

While the Beaver race marked the final competition of the season for our 7th and 8th graders, several Millcreek 9th-grade riders earned top spots on the podium in their respective divisions:

- **Hazel Beach**
- **Boston Graham**
- **Cole Grant**

- **Halle Moriyama**
- **Zoe Sorensen**
- **Elliot Williams**

Many of these outstanding athletes—along with several other 9th graders who placed in the top 25 throughout the season—will advance to compete in the state competition in Cedar City over Fall Break. [More Mt. Biking Photos](#)
