Register online at
wehearharlieandfriends.org

Please join us as we bring the community together for a day of fun and the opportunity to help make a difference in the life of four little girls. We Heart Harlie and Friends' mission is to help raise money to offset the financial strain of medically fragile children. This year's goal is to help with therapies, surgeries, travel expenses, and home modifications to accommodate these girls' needs. Come play, you will leave with a smile ☺
