

HOMework RUBRIC

Homework will be graded using the following rubric:

Requirement	Grade
Heading which includes your name, date, assignment number and assignment are at the top of the paper. All directions are written out. All original problems, including diagrams and graphs are written out. All steps are shown in deriving the solution. The answers are circled or boxed in. All work is neat, legible and done in pencil. Problems corrected in pen if covered in class An attempt to solve each problem is shown. The assignment is turned in when due. The assignment is uploaded to the classroom as a single PDF file	3
Heading is incomplete. Some directions are not written out. Some original problems, including diagrams and graphs are not written out. Steps are skipped in deriving the solution. The answers are not circled or boxed in. All work is not neat, legible or not done in pencil. Problems are not corrected in pen if covered in class and/or no indication of corrections shown when covered in class. At least 50% of assigned problems are attempted. The assignment is turned in when due. The assignment is uploaded as multiple attachments	2
Heading is not shown All directions are not written out. None of the original problems, including diagrams and graphs are written out. Shows little or no work. The answers are not circled or boxed in. All work is not neat, legible or not done in pencil. Problems are not corrected in pen if covered in class. 30% - 50% of assigned problems are attempted. The assignment is turned in when due.	1

No work is turned in on the due date. Less than 30% of the work is done.	0
