# Bookmark a Website as an App Icon on iPad

Need a quick way for your students to get to a website on the iPad? Follow these directions below:

| | Text Directions | Images |
|---|---|---|
| 1. | Go to your web browser and enter the website you would like to bookmark | |
| 2. | Click on the icon with the rectangle and arrow next to the web address |  |
| 3. | Click the “Add to Homescreen” icon |  |
| 4. | Type the name you want displayed below the icon |  |
| 5. | Click the blue “add” button and the app icon will be added to your iPad | |
